**STATEMENT OF FAITH**

1. The eternal God, is sovereign in all things. He exists in three co-equal eternal persons - God the Father, the Son, and the Holy Spirit. These three persons, in perfect unity, form the one and only God.
2. God created and sustains the universe by His spoken word. The creation reveals God's everlasting power and divine nature, consistent with the specific teachings of the Christian Bible.
3. The Christian Bible, both Old and New Testaments, is God's written word to all humanity, written by human authors, inspired by God's Spirit. It is entirely trustworthy and has supreme authority in all matters of faith and conduct. It reliably conveys the truth about all beliefs of the Christian faith including who God is, what the Christian gospel is, who humans are in relationship to God and his world and what response God desires from everyone.
4. God created all people in His image as male or female to be in relationship with Him. God has ascribed dignity, sanctity and worth to all human life from conception until physical death. God requires human life to be accorded respect and to be protected from harm.
5. Humanity, in claiming autonomy and asserting independence from God's rule, turned away from Him in sinful rejection and disobedience. This disobedience corrupted human identity and purpose, and continues to impact all areas of life, separates humanity from fellowship with God, and condemns all under God's righteous wrath and judgement.
6. God loves all humanity and desires to see them saved from sin, but they are born into and continue in their sinful nature and practice, unable of their own accord to restore their relationship to God. As such, without Christ, they continue to disobey God, not living as God created them to live, and not living in peace and harmony with others or the creation.
7. Jesus the Christ, the beloved Son of God, is fully God and fully man. In his character, speech and actions, Jesus perfectly reveals God to the creation. He was born of a virgin, lived a perfect sinless life, was crucified, died, and was buried. He was raised by God through the Spirit, in physical bodily resurrection to life, was seen by eyewitnesses, and ascended to heaven.
